PART 2 RULES FOR OPERATION OF VEHICLES

2.1 Requirement to Comply

- 2.1.1 All persons shall comply with all traffic control devices within the Town authorized under this or any other bylaw of the Town.
- 2.1.2 No person shall remove, damage, alter or tamper with any traffic control device.
- 2.1.3 No person shall proceed beyond the point designated by police or fire department officers, at the site of a fire, disaster, emergency, or emergency practice.
- 2.1.4 Nothing in this bylaw shall be construed to prevent or prohibit ambulances, fire vehicles, police vehicles, or vehicles engaged in highway maintenance or repair, from being parked or operated by their operators in the performance of their duties.

2.2 Obstructing Traffic

- 2.2.1 No owner of a vehicle or person operating a vehicle shall stop a vehicle or permit a vehicle to be left upon any highway in such a manner to block, obstruct, impede or hinder traffic thereon.
- 2.2.2 Notwithstanding Subsection 2.2.1, where the obstruction is unavoidable due to mechanical failure, the operator shall not be in breach of this Section provided the operator promptly takes measures to remove such vehicle from the highway.

2.3 Securing Loads

- 2.3.1 No person shall drive or pull onto or upon a highway a vehicle containing a load unless such load has been secured in such a manner as to prevent the load from falling onto a highway or land adjacent thereto or shifting within the vehicle.
- 2.3.2 In the event that any part of a vehicle, load or other materials becomes loose or detached or blows, drops, spills or falls from any vehicle onto a highway, it shall be the duty of the driver of the vehicle forthwith to take all reasonable precautions to safeguard traffic and also to remove such materials from such highway.

2.4 Funeral, Parade or Procession

- 2.4.1 Under authority provided in Section 110(1) of the Alberta Highway Traffic Act, R.S.A. 2000, Chapter H-8, the Town permits the protocol of Funeral, Parade and Processions when completed in accordance with said Section.

2.5 School Bus Flashing Lights

- 2.5.1 The operator of a vehicle bearing the sign "School Bus" may activate the alternately flashing yellow lights, red lights or "STOP" arm on the vehicle while loading or unloading passengers on any Town highway.
- 2.5.2 No person shall drive past a school bus while red lights are flashing or when stop arm is down.

2.6 Tracking

- 2.6.1 No person shall drive, operate or permit to be driven or operated, any vehicle or equipment of any nature or kind in such a manner as to track upon a highway. The Operator of any vehicle or equipment, which does track upon a highway, shall clean up any tracking, accidental or otherwise.
- 2.6.2 Any person who tracks upon a highway shall, in addition to the penalty specified, be liable to clean up or remove the substance or material tracked upon the highway. In default, the Town may clean up or remove such substance or material at the expense of the person tracking or the owner of the vehicle.

2.7 Vehicle with Tracks, Lugs, Cleats or Spikes

- 2.7.1 Unless a permit to do so has been issued by the Designated Officer, no person shall operate on a highway:
 - a) A vehicle or trailer having metal spikes, lugs or cleats or bands projecting from the surface of the wheel or tire of such vehicle, or
 - b) vehicle or trailer having skids or not using triple grouser or flat surface tracks.

2.8 Slow Moving Vehicles

Bylaw 660-2006 - Fox Creek Traffic Control Bylaw

- 2.8.1 Subject to Subsection 2.8.3, no person shall operate a slow moving vehicle upon any highway between the hours of 0700 and 0900 or between the hours of 1530 and 1730, Monday through Friday inclusive.
- 2.8.2 No person shall operate a slow moving vehicle during nighttime (commencing one hour after sunset and terminating one hour before sunrise) on any highway unless escort vehicles leading in front and following behind accompany the slow moving vehicle.
- 2.8.3 The provisions of this Section shall not apply to:
- a) any vehicle owned by or under contract to the Town while actually engaged in street maintenance operations upon any highway, or
 - b) any vehicle owned by or under contract to the Town while traveling to any locations for the purpose of carrying out street maintenance operations of an emergency nature, or
 - c) any vehicle used in connection with the servicing of public utilities including telephone, electricity, natural gas and cablevision systems while such vehicle is actually engaged in maintenance or emergency operations on a highway.

2.9 Tow Truck

- 2.9.1 No driver of a tow truck shall attend at the scene of a vehicle collision for the purpose of soliciting towing business from the owner or driver of a vehicle involved in that collision unless previously requested to do so by the owner or driver of the vehicle involved in that collision or by the Police Service.
- 2.9.2 Every driver of a tow truck shall, before towing any vehicle from the scene of a collision, clear all debris from the highway.

2.10 Harassing / Intimidating / Startling Other Highway Users

- 2.10.1 No person, whether as the operator or passenger in a vehicle, or as a pedestrian, shall do any act that does, or is likely to, intimidate, frighten, harass or startle any other user of the highway.

2.11 Taxi Cabs

- 2.11.1 No person shall operate a Taxi Cab within the town unless the owner has complied with the license requirements of the town.
- 2.11.2 This section shall not apply to a Taxi Cab properly licensed in any jurisdiction more than 30 km from the boundaries of the Town, delivering passengers to a location within the boundaries of the Town.

2.12 Off-Highway Vehicles

- 2.12.1 Except as pursuant to the Off-Highway Vehicle Act, R.S.A. 2000, Chapter O-5, and amendments thereof, no person shall have, operate, or park an Off-Highway Vehicle on any highway or public place within the Town.
- 2.12.2 Notwithstanding Subsection 2.10.1, Peace Officers are hereby authorized to operate any Off-Highway vehicle within the Town for the performance of their duties.
- 2.12.3 Notwithstanding Subsection 2.10.1, Council may, by resolution, grant permission to organizations for the holding of special events involving the use of Off-Highway Vehicles within the Town.
- 2.12.4 Notwithstanding Sections 2.12 and 2.13, the registered owner of an Off-Highway Vehicle shall not allow any person under the age of sixteen (16) years to operate an Off-Highway Vehicle upon any highway or public place with the limits of the Town.

2.13 Off-Highway Vehicle - Permitted Routes

- a) 2.13.1 No person shall operate an off-highway vehicle within the boundaries of the Town, except for the explicit purpose of entering or exiting the municipal boundaries of the said Town, and shall: proceed by the most direct route out of Town where the operator may lawfully operate an off-highway vehicle;
- I. be prohibited from operating off-highway vehicles on all municipal sidewalks and paved walkways;
 - II. return the most direct route, and
 - III. if operating a snow-vehicle (only), enter and leave commercial and industrial zoned districts on

Bylaw 660-2006 - Fox Creek Traffic Control Bylaw

the designated access route posted.

- 2.13.2 No person shall, at any time, operate an off-highway vehicle upon any highway, sidewalk, or paved walkway for any purpose, other than as noted in 2.13.1.
- 2.13.3 Under the conditions detailed in 2.13.1, no person shall operate an Off-Highway Vehicle between the hours of 10:00 PM and 8:00 AM.
- 2.13.4 Under the conditions detailed in 2.13.1, no person shall operate an Off-Highway Vehicle at a greater speed than 16 kilometres (10 miles) per hour on any highway or public place with the limits of the Town.
- 2.13.5 Under the conditions detailed in 2.13.1, the operator of an Off-Highway Vehicle shall honour and follow all traffic control devices.
- 2.13.6 Under the conditions detailed in 2.13.1, no person shall operate an Off-Highway Vehicle on a highway which is not properly equipped with lights; and no Off-Highway Vehicle shall be operated upon a highway or public place unless lights with which it is equipped are alight at all times.
- 2.13.7 Under the conditions detailed in 2.13.1, no Off-Highway Vehicle shall carry more than two (2) persons, including the operator.
- 2.13.8 Under the conditions detailed in 2.13.1, no operator of an Off-Highway Vehicle shall permit any person to ride on a sled, skis, or other conveyance being towed behind the Off-Highway Vehicle.
- 2.13.9 Every operator of an off highway vehicle shall at all time exercise due diligence in the operation of such vehicle.
- 2.13.10 (1) For the purposes of administering and enforcing this bylaw a peace officer may
 - (a) signal or direct a driver of an off highway vehicle to stop the vehicle and,
 - (b) request information from the driver of the off highway vehicle and any passengers on or in the vehicle.(2) When signaled or directed to stop by a peace officer who is readily identifiable as a peace officer, a driver of an off highway vehicle shall
 - (a) forthwith bring the vehicle to a stop.
 - (b) forthwith furnish to the peace officer any information respecting the driver or the vehicle that the peace officer requires.
 - © remain stopped until permitted by the peace officer to leave.

- 2.14.1 School zones in the Town of Fox Creek shall be from 8:00 am – 5:00 pm on school days.

2.15 Turns

- 2.15.1 No person shall make a left turn between intersections unless turn is made into a driveway.

PART 3

HEAVY VEHICLES / RESTRICTED HIGHWAYS

3.1 Heavy Vehicle Route

- 3.1.1 No person shall operate or park a heavy vehicle on a highway other than a highway specified in Schedule I (attached hereto), without first obtaining from the Designated Officer a permit to do so.
- 3.1.2 No person shall park a heavy vehicle for more than 120 minutes on any highway within the Town, and at no time shall a heavy vehicle be parked within five (5) meters (16 feet) of a driveway or intersection.

3.2 Exemptions

- 3.2.1 The following shall not be deemed to be in contravention of Section 3.1.1 if the heavy vehicle was being operated on the most direct and practicable route between the premises or location concerned and the nearest heavy vehicle route for the purpose of:
- a) delivering or collecting goods or merchandise to or from or providing services at the premises of bonafide customers.
 - b) moving a building for which the necessary moving permit has been issued by the Town.
 - c) pulling a disabled vehicle from a prohibited highway to a heavy vehicle route.
- 3.2.2 Persons driving a bus shall not be deemed to be in contravention of Section 3.1.1 if the bus is in the process of transporting, loading or unloading passengers.
- 3.2.3 Persons that have more than one delivery, collection or service in the same area may make all deliveries, collections or services within that area before proceeding by the most direct and practical route to the nearest heavy vehicle route. In this Section, an "area" is defined as one that is bordered on all sides by one or more of the following:
- A) Heavy Vehicle Routes,
 - B) Dangerous Goods Routes,
 - C) The Town boundary.
- 3.2.4 Nothing in this Section shall be deemed to exempt any person from the provision of Section 3.1 to 3.10 inclusive of this Bylaw.

3.3 Over-weight and Over-dimensional Permits

- 3.3.1 No person shall operate or permit to be operated within the Town a vehicle in excess of the maximum allowable weight or dimension limits established by The Alberta Motor Transport Act without first obtaining a permit from the Designated Officer to do so.

3.4 Off-route / Over-weight Permits

- 3.4.1 A person applying for a permit to operate a vehicle pursuant to this part shall pay to the Town the amount specified in **Schedule II**.
- 3.4.2 An applicant may be issued an open permit for any number of trips and/or for such a period of time, as the Designated Officer deems advisable. The Designated Officer may specify any restrictions or conditions deemed appropriate
- 3.4.3 Any person required to obtain a permit pursuant to this part, may obtain such permit by providing to the Designated Officer by telephone or fax the information required for a permit, providing that the applicant has previously signed an agreement to pay all damage caused to the highway, or any works made or done over, upon or under the same, as a result of operations and conveyance or movement of the vehicle or machinery.

Bylaw 660-2006 - Fox Creek Traffic Control Bylaw

3.4.4 Any permit issued pursuant to this part, copy of same, or bonafide permit number, must be in possession of the operator of the said vehicle and such permit, copy of same, or bonafide number shall be produced to a Peace Officer on demand.

3.5 Violation of Permit Conditions

3.5.1 Any person who violates the provisions contained in the permit issued under Section 3.1 of this Bylaw is guilty of an offence.

3.6 Weight Dispute

3.6.1 In the case of any dispute arising as to the weight of any vehicle, the certificate weight is deemed to be the actual weight of the vehicle, or, where practical, the vehicle shall be weighed upon a certified scale, and the certificate of the person weighing the vehicle shall be deemed conclusive.

3.7 Temporary Load Limits (Road Bans)

3.7.1 No person shall operate or park a vehicle on a highway in contravention of prohibitions stated on a traffic control device placed in situations, or unfavourable road conditions, to limit load limits.

3.8 Clearance of Structures and Overhead Fixtures

3.8.1 No person shall drive, operate or permit to be driven or operated, any vehicle or equipment of any nature or kind, through any structure or under any overhead fixture, with a maximum height which exceeds the minimum clearance on a traffic control device for a structure or overhead fixture.

3.9 Move Building

3.9.1 No person shall use any of the highways of the Town to move a building or part of a building from one site to another within the Town, or from a site outside to a site within the Town, or from a site within the Town to one outside the Town until the Owner of such building has obtained a moving permit granted by the Designated Officer. For the purposes of this Section, a building is as defined in the Alberta Building Code.

3.9.2 Such moving permit, a copy of same, or bonafide permit number, must be in the possession of the operator of a vehicle used for moving a building or part of a building and shall be produced to a Peace Officer on demand.

3.9.3 The person wishing to move a building or over-dimensional load shall ensure there are sufficient pilot vehicles to escort the move in safety. In the event any municipal services (Police, Public Works, Fire Dept) are required to assist with the move, the person responsible for the move shall pay to the Town the amount specified in **Schedule II** attached hereto.

3.10 Engine Retarder Brakes

3.10.1 The use of engine retarder brakes within the Town is prohibited.

**PART 4
RIGHTS AND DUTIES OF PEDESTRIANS**

4.3.1 No person shall obstruct the entrance to any property or building or obstruct or prevent other persons from using such access to the same.

4.3.2 No person shall so conduct himself or otherwise position himself or any thing on a highway in such a manner as to obstruct vehicular or pedestrian traffic or as to inconvenience any other person upon the highway.

4.3.4 No person shall obstruct traffic by playing any game on any roadway or alley in the Town.

4.4 Public Meetings

4.4.1 Nothing in this part shall be construed as prohibiting the congregating or assembling of individuals to attend and listen to street preaching or public speaking so long as the proceedings thereat are peaceable and orderly and sufficient space is left on the highway to allow free movement of the ordinary traffic; but should any highway at or near such assembly become so obstructed as to obstruct or impede such ordinary traffic, the person obstructing or impeding shall forthwith move away upon being requested to do so by a Peace Officer or by any other person duly authorized.

4.4.2 Any person refusing or failing to forthwith move away upon being requested is guilty of an offence.

4.5 Watching Parade

4.5.1 Nothing in this part shall be construed as prohibiting the assembling of persons for the purpose of watching a parade or procession duly authorized by Council.

4.6 Hitch-hiking

4.6.1 No person shall hitchhike or solicit a ride from a driver of a vehicle excluding taxicabs on a highway within the Town.

PART 5
CYCLISTS, SKATERS, SKATEBOARDERS, IN-LINE SKATERS

5.1 Riding Bicycles on Sidewalk

- 5.1.1 Every person riding a bicycle on a sidewalk, recreational pathway or in a crosswalk shall:
- a) yield the right-of-way to pedestrians,
 - b) when passing a pedestrian, use the care and control required to ensure the safety of the pedestrian,
 - c) give an audible signal before overtaking a pedestrian, which signal shall be produced a reasonable time prior to overtaking, by voice, bell or other warning device, which is audible to the pedestrian.
- 5.1.2 Every person riding a bicycle on a sidewalk or recreational pathway shall yield the right-of-way to any vehicle on a highway, which crosses a sidewalk or recreational pathway. This Section does not relieve the driver of a vehicle from exercising due care.
- 5.1.3 Cyclists using sidewalks, roadways & recreational pathways do so at their own risk.

5.2 Skating

- 5.2.1 No person shall ice skate, roller skate, skate board or toboggan upon any roadway or sidewalk.
- 5.2.2 Every person roller skating, in-line skating, or skateboarding on a recreational pathway, sidewalk or roadway shall:
- a) yield the right-of-way to pedestrians,
 - b) when passing a pedestrian, or other person, use care and control required to ensure the safety of the pedestrian or other person,
 - c) stay at a reasonable distance from other persons using the path, and
 - d) give an audible signal by voice, bell or other warning device, which is audible to the pedestrian a reasonable time before overtaking a pedestrian.
 - e) conduct themselves in such a manner so as to not impede vehicular traffic.
- 5.2.3 Roller skaters, skateboarders and in-line skaters using sidewalks, roadways & recreational pathways do so at their own risk.
- 5.2.4 No person shall roller skate, skateboard or in-line skate where signs are posted to prohibit such activity.

PART 6 PARKING

6.1 Parking Within Prescribed Space

- 6.1.1 Where a vehicle parking space upon a highway is marked out or designated, an operator using the same shall park such vehicle wholly within the limits of that space.

6.2 No Parking Anytime

- 6.2.1 No person shall park a vehicle at any of the following locations:
- a) Upon any portion of a highway adjacent to any structure in the course of erection or repair when such stopping or parking will impede or obstruct traffic.
 - b) In any loading or unloading space marked by a traffic control device indicating the restrictions which apply thereto, unless lawfully engaged in loading or unloading merchandise.
 - c) Where the vehicle may in any way interfere with the use of a doorway intended as a fire or emergency exit from any building.
 - d) In the entrance way to any fire hall or to any police station or any ambulance station or emergency entrance to any hospital.
 - e) In any place or area where the traffic control device indicates that parking there is restricted to a special class of vehicles only.
 - f) Upon any highway or portion thereof providing emergency vehicle access to any property (excepting emergency vehicles) where the highway is marked by a traffic control device as an emergency vehicle access.
 - g) On or within 1.5 meters (5 feet) of a crosswalk or fire hydrant or as otherwise marked by a traffic control device.
 - h) No person shall park a vehicle, which impedes traffic on any highway in Fox Creek.
 - i) Or as otherwise restricted by signage.

6.3 No Stopping

- 6.3.1 No person shall stop a vehicle for any period of time whatsoever on any portion of a highway which is marked by a traffic control device as "No Stopping".

6.4 No Parking

- 6.4.1 No person shall park a vehicle upon any portion of a highway that is marked with a traffic control device as "No Parking".

6.5 Temporary "No Parking" / "No Stopping"

- 6.5.1 Notwithstanding any other provision in this Bylaw, the Designated Officer may cause "No Parking" or "No Stopping" signs to be placed on or near a roadway for roadway maintenance or construction purposes.
- 6.5.2 After Temporary "No Parking" traffic control devices are placed on or near a roadway, no person shall park or leave a vehicle on that portion of roadway contrary to the traffic control devices.
- 6.5.3 When roadway maintenance or construction commences, any vehicle parked on the signed roadway may be removed pursuant to Section 6.5.2 hereof and, when it is practicable to do so, the vehicle upon removal from the signed roadway, will be left nearby to minimize the inconvenience to its owner and operator.

6.6 Passenger Loading

Bylaw 660-2006 - Fox Creek Traffic Control Bylaw

6.6.1 No person shall park a vehicle in any passenger loading space marked with a traffic control device for a period of more than that indicated on the control device, except while in the process of loading or discharging passengers.

6.7 Alley Parking

6.7.1 No person shall park a vehicle in an alley in such a manner as may obstruct the passage of other vehicles along the alley unless a traffic control device otherwise permits, except for the loading or unloading of goods for a period not exceeding (30) minutes.

6.8 Restricted Time / Hours

6.8.1 Where a traffic control device restricts the parking of vehicles to a maximum time, or within certain hours, it shall be an offence to park a vehicle in excess of the time or outside the hours so designated and marked on the traffic control device.

6.8.2 After the issuance of a traffic tag to a vehicle for a first violation of Section 6.8.1 hereof and a vehicle remaining parked in excess of the time permitted on the traffic control device for a further period, the vehicle in violation may be towed as per Section 6.9.1(a) of this bylaw.

6.8.3 The provisions of this Section shall not apply on a Sunday or a holiday to vehicles that are not heavy vehicles.

6.9 Private Property

6.9.1 No person shall park or leave a vehicle on private land which has been clearly marked by a traffic control device erected by the owner, tenant or their agent unless such person has obtained the permission of the owner, tenant, occupant or person in charge of the private land.

6.9.2 A vehicle parked contrary to this Section may be impounded and removed and an information and complaint may be laid against the owner or person in charge of the illegally parked vehicle.

6.9.3 For this Section, "Private Land" means any land owned or controlled by an individual, a business, corporation or a Municipal, Provincial or Federal Government.

6.10 Parking on Town Lands

6.10.1 No person shall park or direct another person to park a vehicle upon any land owned by the Town, parkland, boulevard, playground, recreation area, or right-of-way, unless authorized by the Designated Officer by way of a permit, sign or signs.

6.11 Occupied Recreational Vehicles

6.11.1 No person shall occupy, camp or dwell in a recreational vehicle as a temporary or permanent dwelling place, living abode or sleeping place on a highway that is not a recreational vehicle park.

6.12 Unattached Trailers

6.12.1 No person shall park a trailer upon a highway unless the trailer is attached to a vehicle by which it may be drawn, and at no time shall such parking exceed 24 hours.

6.13 Parking of Recreational Vehicles

6.13.1 An owner or operator of a recreational vehicle shall not park the recreational vehicle on a highway in the Town, except in the area of the roadway immediately adjoining the owner or operator's place of residence and for no more than twenty-four (24) consecutive hours, following which the owner or operator shall move the recreational vehicle to an off-highway location for a period of not less than forty-eight (48) consecutive hours before the recreational vehicle may be parked again in the area of

Bylaw 660-2006 - Fox Creek Traffic Control Bylaw

the roadway immediately adjoining the owner or operator's place of residence.

- 6.13.2 A recreational vehicle may be parked in a residential district providing the vehicle is contained entirely within the residents property line:
- a) For the period April 1st to November 30th, the recreational vehicle must be parked no closer than 1 metre from the interior edge of the sidewalk, or within 2 metres from the curb in the event there is no sidewalk;
 - b) For the period December 1st to March 31st, the recreational vehicle must be located off-site, in the rear yard, or in the case of the front or side yards, at a set-back not to exceed farther than 3 metres beyond the house, or at the discretion of the Designated Officer.
- 6.13.3 A recreational vehicle or utility trailer shall not be stored on public streets, rights of way, vacant lots, parks, walkways or municipal property.
- 6.13.4 Recreational vehicles and utility trailers must be attached to a tow vehicle at all times that they are parked on a public street, except during loading and unloading. The time allowed for loading and unloading will not exceed a period of twenty four (24) hours.
- 6.13.5 The owner or operator of a recreational vehicle or utility trailer shall not park said vehicle on a public street in Fox Creek for a period exceeding seventy two (72) consecutive hours, following which the owner or operator shall move the recreational vehicle or utility trailer to an off-highway location for at least forty eight (48) consecutive hours before the vehicle can again be parked on a public street.

6.14 Taxi Stand

- 6.14.1 No person shall stop or park a vehicle that is not a taxicab in either a marked taxicab stand allotted to a company or in an open taxicab zone.
- 6.14.2 No operator of a taxicab shall stop or park and leave his vehicle unattended for a period exceeding fifteen (15) minutes at any taxicab stand.

6.15 Snow Route

- 6.15.1 This Section applies when the Snow Route has been declared in effect by the Designated Officer and is in effect for a period of seventy-two (72) hours unless extended by a further declaration for another seventy-two (72) hours by the Designated Officer.
- 6.15.2 No person shall park a vehicle or permit a vehicle to be parked on a highway marked as a Snow Route.
- 6.15.3 All vehicles parked on signed Snow Routes after the declaration indicated in Subsection 6.15.2 are subject to immediate removal at the expense of the owner of the said vehicle.
- 6.15.4 The declaration indicated in Subsection 6.15.1 may be rescinded in whole or in part, prior to the expiration of seventy-two (72) hours, by the Designated Officer.

6.16 Residential Parking Permits

- 6.16.1 Where a traffic control device upon a highway restricts parking thereon to residents, no person shall park a vehicle:
- a) at anytime, unless such vehicle displays upon the front windshield of such vehicle, a permit authorized by the Designated Officer or,
 - b) in excess of the time so designated and marked on a traffic control device.

6.17 Disabled Persons Parking

- 6.17.1 The Designated Officer is hereby delegated the authority to establish parking places on public property, that the public is ordinarily entitled or permitted to use for the passage or parking of vehicles, for the exclusive use of persons with disabilities who display on their vehicles a handicap placard or license plate that is issued or recognized by Alberta Registries.
- 6.17.2 No person shall park a vehicle in a parking place marked for the use of persons with disabilities, on public or private property that the public is ordinarily entitled or permitted to use for the passage or parking of vehicles, unless:

Bylaw 660-2006 - Fox Creek Traffic Control Bylaw

- a) the vehicle displays a handicap placard or license plate that is issued or recognized by Alberta Registries, and
- b) the vehicle is operated by, or is being used to transport, a disabled person.

6.17.3 A vehicle parked contrary to this Section may be tagged, and or impounded and removed, without any liability to the Town, by any Peace Officer or the owner of the property.

6.18 Propane-Fueled Vehicles

6.18.1 No person shall park a propane-fueled vehicle in any underground parking facility or within an enclosed or partially enclosed structure used by the public for parking vehicles.

6.19 Removal of Vehicles

6.19.1 A Peace Officer is hereby authorized to remove or cause to be removed any vehicle or trailer,
a) parked or left at a standstill in contravention of this bylaw; or

b) where emergency conditions may require such removal from a Highway.

6.19.2 Any such vehicle may be removed to a place designated by the Designated Officer where it will remain impounded until claimed by the owner thereof or his authorized agent.

6.19.3 The owner or his authorized agent, of any vehicle removed because of a contravention of this bylaw, shall pay to the Designated Officer all storage and/or removal charges. Such charges shall be in addition to any fine or penalty imposed in respect of any such contravention.

6.19.4 In the event that an owner of a motor Vehicle does not claim such Vehicle, the storage and removal charges may be collected pursuant to the provisions of the *Motor Vehicle Administration Act (Alberta)* as amended.

6.19.5 In the event that an owner of any other Vehicle does not claim such Vehicle, the storage and removal charges may be collected pursuant to the provisions of the *Municipal Government Act (Alberta)*, as amended.

6.20 Restricted Vehicles

6.20.1 No person shall park a fuel truck or truck containing explosives within a residential district.

**PART 7
RULES FOR PARADES AND PROCESSIONS
& SPECIAL ROADWAY EVENTS**

7.1 Permit Necessary for Parade/Procession

- 7.1.1 No person shall hold any parade or procession or special roadway event that would impede or obstruct vehicular or pedestrian traffic without first obtaining a permit from Council, subject to such terms and conditions that the Council, by resolution, deems advisable, for the parade or procession to be held.
- 7.1.2 Council may delegate their power under this Section to the Designated Officer.
- 7.1.3 All persons participating in a funeral, religious or church procession are exempt from this section.
- 7.1.4 Any person desiring to hold a special roadway event, parade or procession within the Town shall make application in writing to the Town and in such application shall furnish to the Town information with respect to the following;
- a) The name and address of the applicant, and if such application is an organization, the names, and addresses of the organizer(s) thereof;
 - b) The nature and object of such parade or procession;
 - c) The day, date and hours during which same will be held;
 - d) The intended route thereof;
 - e) The approximate number of persons and/or vehicles taking part therein;
 - f) Proof of comprehensive general liability insurance of a least one million (\$1,000,000.00) dollars.

and such written application shall bear the signatures and addresses of the persons who will be in control of such parade or procession and who undertake to be responsible for the good order and conduct thereof.

- 7.1.5 During such parade or procession, all pedestrians not taking part therein shall be restricted to the use of the sidewalk area.

PART 8 DESIGNATED AUTHORITY

8.1 Authority to Place “Traffic Control Devices”

- 8.1.1 The Designated Officer is hereby delegated the authority to prescribe where traffic control devices, either permanent or temporary, are to be located, including traffic control devices restricting the speed or parking of vehicles. Such decisions will be made in consultation with the RCMP, Fire Department, Ambulance, Engineer and/or Public Works Departments.
- 8.1.2 Any such traffic control devices erected or placed pursuant to a declaration made under this clause shall be deemed to have been made by bylaw of the Town.
- 8.1.3 The Designated Officer shall cause such devices to be placed at the prescribed locations such that the devices are clearly recognizable in all reasonable light and weather conditions.
- 8.1.4 A listing of such traffic control devices, and their placement within the community, shall be maintained as Schedule XI of this bylaw. From time to time when a traffic control device is to be added, removed, or changed, the Designated Officer shall ensure that list is amended and maintained.

8.2 Authority to Designate “Crosswalks”

- 8.2.1 The Designated Officer is hereby authorized to designate crosswalks upon any highway and to mark same.
- 8.2.2 A listing of designated crosswalk locations shall be maintained as per Section 8.1.4.

8.3 Authority to Designate “No Turn” Signs

- 8.3.1 The Designated Officer is hereby authorized to designate any highway intersection or other place on a highway as a place at which no left hand turn or no right hand turn or both shall be made, and shall cause the said place to be signed, barricaded or otherwise restricted.
- 8.3.2 A listing of designated “No Turn” signs shall be maintained as per Section 8.1.4.

8.4 Authority to Designate “No U-Turn”

- 8.4.1 The Designated Officer is hereby authorized to designate any intersection or place on a highway, as a place where U-turns are prohibited and shall cause same to be marked.
- 8.4.2 A listing of designated “No U-Turn” locations shall be maintained as per Section 8.1.4.

8.5 Authority to Identify “One-Way Traffic”

- 8.5.1 When Council has approved of any highway or a part of a highway being designated for one-way traffic and such highway description is recorded in this Bylaw, then the Designated Officer shall cause the same to be marked with traffic control devices.
- 8.5.2 A listing of designated “One-Way Traffic” locations shall be maintained as per Section 8.1.4.

8.6 Authority to Designate Traffic Lanes

- 8.6.1 The Designated Officer is hereby authorized to designate any roadway as one to be divided into traffic lanes of such numbers as he considers proper.

8.7 Authority to Designate “School & Playground Zones”

Bylaw 660-2002 - Fox Creek Traffic Control Bylaw

8.7.1 The Designated Officer is hereby authorized to designate "School Zones" and "Playground Zones" and shall cause such zones to be marked by traffic control devices.

8.7.2 A listing of designated "School Zones" or "Playground Zones" locations shall be maintained as per Section 8.1.4.

8.8 Authority to Designate Speed Zones

8.8.1 When Council has designated vehicles' speeds on any municipal highway, or a portion of a highway, then the Designated Officer shall cause such speed limits to be marked.

8.9 Authority to Designate Construction Traffic Control

8.9.1 The Designated Officer is hereby delegated the authority to prescribe where emergency or construction traffic control devices are to be located on any highway, and shall cause the same to be marked.

8.10 Authority to Permit Parking

8.10 The Designated Officer is hereby authorized to cause traffic control devices permitting parking to be erected on lands used under the License of Occupation.

8.11 Authority to Designate Passenger "Loading/unloading" Zones

8.11.1 The Designated Officer is hereby authorized to designate passenger vehicles loading and unloading spaces and shall cause the same to be marked.

8.12 Authority to Prohibit Parking

8.12.1 The Designated Officer is hereby authorized to designate distances from any intersection within which no parking is permitted and shall cause traffic control devices to be erected indicating no parking. This provision shall not apply to vehicles stopped in compliance with any provision of this Bylaw.

8.13 Authority to Designate Parking Limits

8.13.1 The Designated Officer is hereby authorized to designate portions of highway where parking is limited to a period of time and shall cause traffic control devices to be erected indicating such parking limitations.

8.14 Authority to Set Permit Terms

8.14.1 Subject to the terms and conditions required by this Bylaw, the Designated Officer is hereby authorized to set the terms and conditions for each permit, sticker or special permission required under this Bylaw.

8.14.2 Upon request by an applicant or permit holder and when it is decided by the Designated Officer that extenuating circumstances exist, the Designated Officer is hereby authorized to waive or alter any term of an agreement or permit required by this Bylaw.

8.14.3 The Designated Officer may, in writing, alter, suspend or revoke a permit whenever the permit is issued in error or on the basis of incorrect information supplied, or when occupied areas indicated on the permit are required by the Town for other purposes, or in violation of any Town Bylaw or resolution.

8.15 Authority to Set Permit Fees

Bylaw 660-2006 - Fox Creek Traffic Control Bylaw

8.15.1 Council shall set the fee to be charged for each permit, sticker or special permission issued under this Bylaw which the Designated Officer has implemented.

8.16 Authority to Designate "Special" Routes

8.16.1 The Designated Officer is hereby authorized to mark, with traffic control devices, any highway or part of a highway designated by this Bylaw as a "Heavy Vehicle Route", or "Dangerous Goods Route".

8.16.2 A listing of designated "Heavy Vehicle Route" or "Dangerous Goods Route" locations shall be maintained as per Section 8.1.4.

8.17 Authority to Designate Parking

8.17 The Designated Officer is hereby authorized to designate parking procedures on any highway in the Town and to cause the same to be marked.

8.18 Authority to Set Load Limits

8.18.1 The Designated Officer is hereby authorized in case of unfavourable road conditions to limit vehicle weight upon Town highways.

8.19 Authority to Restrict Traffic Movements

8.19.1 The Designated Officer is hereby authorized to prohibit or restrict by traffic control devices, the movement of vehicles from a private driveway onto a highway or from a highway onto a private driveway where such prohibition or restriction is deemed advisable in the public interest and for better regulation of traffic.

8.20 Authority to Designate Bicycle Movements

8.20.1 The Designated Officer is hereby authorized to designate locations:

a) On public roadways where the use of bicycles is prohibited and may cause the same to be marked by traffic control devices. Wherever the use of bicycles is prohibited by order of the Designated Officer, a reasonable alternative route shall be provided.

b) On sidewalks, walkways and special bicycle paths where the use of bicycles is permitted, and may cause same to be marked by traffic control devices.

8.20.2 The Designated Officer is hereby authorized to designate portions of highways within the Town for the use of bicycles only, and to regulate the movement of bicycles upon the portion of such highway designated for use by bicycles.

8.21 Authority to Revoke Permit

8.21.1 The Designated Officer may revoke any permit issued pursuant to Part II and require the highway to be made passable to the satisfaction of the Designated Officer.

8.21.2 In addition to the specified penalty, all work being performed without a permit shall be stopped immediately and the person performing the work shall be liable for costs incurred in making the highway passable.

**PART 9
ENFORCEMENT**

9.1 Authority to Enforce

9.1.1 Any Peace Officer is hereby authorized to enforce this Bylaw.

9.2 Authority to Remove Vehicle

9.2.1 Any Peace Officer is hereby authorized to remove or cause to be removed any vehicle,
a) Parked in contravention of a provision of the Bylaw; or

b) Where emergency conditions may require such removal from a highway.

9.2.2 Any vehicle removed under this Section shall remain impounded by the Towing firm until claimed by the owner.

9.2.3 No impounded vehicle shall be released to its owner until all impounding charges have been paid to the Towing firm; these charges shall be in addition to any fine or penalty imposed in respect of the said violation.

PART 10 MISCELLANEOUS

10.1 Materials on Highways/other Places

- 10.1.1 No person shall place, or permit to be placed, any substance, material or thing on any parkland, recreational pathway, right of way, or other public area, unless a permit has been obtained from the Town.
- 10.1.2 No person shall permit mud, slush, snow or ice to remain on a sidewalk abutting property under their control.
- 10.1.3 No person shall clear snow, ice, mud, slush, grass clippings, leaves or any other obstruction onto a street, sidewalk, boulevard, or other public thoroughfare.
- 10.1.4 Every person who contravenes the provisions of this part, shall, in addition to any other penalty, remove any material(s) forthwith after being directed by the Designated Officer or his representative. If the person fails to comply with the directive, the Designated Officer may remove, or cause to be removed, any thing found in any of the places mentioned in Section 10.1 or 10.2. The costs of the removal may be recovered directly from the owner or person who placed or failed to remove the item or material; or the items or material may be sold to recover the costs of removal.

10.2 Loading/unloading Goods Across a Sidewalk

- 10.2.1 No person shall cause pedestrians to walk on a roadway by loading or unloading goods or merchandise across a sidewalk or boulevard.

10.3 Washing Vehicle

- 10.3.1 No person shall wash a vehicle upon a roadway or so near a highway as to result in depositing mud or creating slush or ice upon a public sidewalk or roadway.
- 10.3.2 No person operating premises for the sale of new or used vehicles or for washing vehicles shall wash such vehicles so as to result in water, mud, slush or ice upon the public sidewalk or roadway.

10.4 Street Furniture

- 10.4.1 No person shall climb or interfere with any street furniture, protection system or any other utility system or work of the Town.

10.5 Posters

- 10.5.1 No person shall place any poster:
- a) on any item of street furniture and includes but is not limited to benches, bus shelters, garbage receptacles, planters, bicycle racks and newspaper boxes, which impedes or impairs the safe movement of traffic, or
 - b) on any traffic control device.

10.6 Signs

- 10.6.1 No person shall place a freestanding sign on a highway, unless approved by permit from the Designated Officer.
- 10.6.2 No person shall place or erect any portable sign, banner or any other type of sign not referred to in this or any other Bylaw on a highway unless authorized by the Designated Officer.

10.7 Authority to Remove Signs

Bylaw 660-2006 - Fox Creek Traffic Control Bylaw

10.7.1 In addition to any other penalty for a breach of Sections 10.5 and 10.6, the Designated Officer may remove or cause the removal of any poster or sign placed or erected contrary to Section 10.5 and 10.6 or which impedes or interferes with any repair or maintenance work on a highway, without prior notice, and such removal shall be at the expense of the person who placed or erected the poster or sign.

10.7.2 For the purposes of this Part, the individual, organization or corporation who is being referred to on the poster or sign shall be deemed to be the individual, organization or corporation who placed or erected the poster or sign.

10.8 Driving Across the Sidewalk

10.8.1 No person shall drive or park any vehicle across any sidewalk or boulevard, or both, unless a crossing has been constructed as required by the Designated Officer and as provided by Section 10.9.

10.9 Use of Road Allowance

10.9.1 No person shall occupy or use a road allowance, public highway or a portion of a road allowance or highway when it is not required for public use without first obtaining a License of Occupation from the Engineer.

10.9.2 A License of Occupation may be terminated on 30 days notice by either party.

10.10 Responsibility of Registered Owner

10.10.1 Where the person operating a vehicle cannot be positively identified, the registered owner of the vehicle shall be liable under this bylaw for any and all infractions committed with said vehicle.

PART 11 OBSTRUCTIONS

11.1 Permit Required

- 11.1.1 No person shall make, place or allow an obstruction of any kind in, upon, or above any of the highways of the Town unless authority has been granted by the Designated Officer pursuant to a permit.
- 11.1.2 Every person making or placing an obstruction of any kind in, upon or above any of the highways of the Town shall produce the permit granted pursuant to Subsection 11.1.1 for inspection upon the request of a Peace Officer or a representative of the Designated Officer.

11.2 Failure to Obtain Permit

- 11.2.1 Every person who fails to obtain or to comply with the provisions of a permit pursuant to Subsection 11.1.1 shall be guilty of an offence and shall, in addition to any other penalty, cause the removal of the obstruction forthwith after being notified to do so by the Designated Officer or his representative. The Designated Officer may cause the removal of the obstruction and such removal shall be at the expense of the person causing, placing or permitting the obstruction on the highway or public place.

11.3 Removal of Obstructions

- 11.3.1 Where an obstruction of any kind exists in, upon or above any highway or public place and, in the opinion of the Designated Officer or his representative, creates an unsafe condition, the Designated Officer shall be entitled to take such measures as are required for the protection of life or property.
- 11.3.2 The Town assumes no responsibility for damage to property abutting Town property when work is being done pursuant to this Section.

11.4 Hoardings

- 11.4.1 No person shall place any covered way, fence, railing, boarding, barricade, guard, timber buffer, temporary walkway, or any other structures, materials or equipment (hereinafter referred to as hoarding) upon a highway without first obtaining the written approval of the Designated Officer for the location of the hoarding on the highway.
- 11.4.2 No person shall erect a hoarding unless a hoarding permit has been obtained and a hoarding agreement has been entered into with the Town.

11.5 Swinging Gate

- 11.5.1 No owner or occupant of any premises shall allow a gate of such premises to swing or project over a highway.

11.6 Construction on Highway

- 11.6.1 No person shall, unless first obtained a permit from the Designated Officer, perform construction and maintenance work of any highway if the work involves:
- a) Excavation of roadways, sidewalks or boulevards,
 - b) Non-excavation work that interferes with traffic flows on arterial roadways during the hours of 06:00 - 09:00 and/or 15:30 - 18:00.

11.7 Authority to Revoke Permit

Bylaw 660-2006 - Fox Creek Traffic Control Bylaw

11.7.1 The Designated Officer may revoke any permit issued pursuant to Section 11.6 and require the highway to be made passable to the satisfaction of the Designated Officer.

11.7.2 In addition to the specified penalty, all work being performed without a permit shall be stopped immediately and the person performing the work shall be liable for costs incurred in making the highway passable.

11.8 Street Vending

11.8.1 No person shall, unless he has obtained a permit from the Town, sell or display goods or place any temporary or permanent structure related to the selling or displaying of such goods on the highways of the Town.

11.8.2 The Planning and Development Department of the Town must approve the size, form, and design of structures and location of any such approved structures.

11.9 Shrubs at Intersections

11.9.1 No person shall allow trees, hedges or shrubs on private property, whether planted before or after the date of the passing of this Bylaw, to grow to such a height that good visibility for safe traffic flow is thereby interfered with.

11.9.2 The Designated Officer may require compliance with the provisions of Subsection 11.9.1 hereof within 72 hours of being notified to do so. If the person fails to comply with such notice, the Designated Officer may direct employees or agents of the Town to enter upon the private property to carry out the necessary work and may recover the cost of doing so from the owner or occupier of the said property.

11.10 Fences at Intersections

11.10.1 No person shall erect or cause to be erected, built or placed, a fence, wall or other object on private property within five (5) metres of a highway intersection so that good visibility for safe traffic flow is thereby interfered with.

11.10.2 No person shall continue the existence of a fence, wall or other object on private property within five (5) metres of an intersection, which interferes with the visibility for safe traffic flow.

11.10.3 Every owner or occupier of private property who erects, builds, places or continues the existence of a fence, wall, or other object on said property contrary to this Section shall cause the removal or reduction in height of the said fence, wall or other object within ten (10) days after being notified to do so by the Designated Officer or his representative. After the expiration of the said ten (10) days, the Designated Officer may cause the removal or reduction in height and such work shall be at the expense of the owner or occupier of the said property.

11.11 Industrial Waste Container Placement

11.11.1 No person shall place an industrial waste container upon any highway of the Town unless:

a) A permit has first been obtained from the Designated Officer approving such placement;

b) The container is marked with white or yellow high intensity reflective sheeting for use on traffic control signs, placed mid-height to the following minimum requirements:

c) A 0.3 metre by 0.3 metre piece of sheeting wrapped around each of the four corners such that there is a 0.3 metre by 0.15 metre surface on both sides of the corner, or

d) A 0.15 metre horizontal band at each end of the container with a 0.15 metre wrap around each corner.

e) A red and white 0.05 metre wide diamond grade truck marking tape may be used in a similar fashion to cover the same lengths described in (b)(i) and (b)(ii) as an alternative to the 0.15 metre wide yellow or white sheeting.

11.11.2 The company name and telephone number shall be displayed on the two sides of the container in lettering not smaller than five (5) centimetres high.

11.11.3 The company shall maintain in respect of the container, public liability insurance in an amount determined by the Town.

PART 12 DANGEROUS GOODS ROUTES

12.1 Definition of Dangerous Goods

12.1.1 The definitions in this Section shall be consistent with those definitions as defined in the Dangerous Goods Transportation and Handling Act, Chapter D-4 of the Revised Statutes of Alberta, Consolidated 2000

12.2 Travel on Dangerous Goods Route

12.2.1 No carrier transporting dangerous goods shall travel within the Town other than on a Dangerous Goods Route except:

- a) to obtain or deliver dangerous goods from or to a location within the Town or to gain access to a Permitted Vehicle Storage Location, in which event the carrier shall:
 - i) proceed on a Dangerous Goods Route to the highway which forms the shortest and most direct route to the collection or delivery point, or storage location, and then proceed directly on that highway; and
 - ii) return to the Dangerous Goods Route via the same highway.
- b) to obtain emergency repairs or vehicle servicing at the nearest facility

12.3 No Stopping

12.3.1 No carrier transporting dangerous goods shall stop within the Town except:

- a) i) At a permitted vehicle storage location;
 - ii) If required to park, Class I (Explosives) dangerous goods carriers shall apply for a special permit issued by the Fire Chief or designate pursuant to this Bylaw for a "Permitted Vehicle Storage Location";
- b) To load or unload the dangerous goods;
- c) In compliance with directions of a Peace Officer, a designated Dangerous Goods Inspector or traffic control device;
- d) Due to mechanical failure of the carrier vehicle, a spill, emission or discharge of dangerous goods from any container or packaging, or a motor vehicle accident involving the carrier vehicle.
- e) On a dangerous goods route unless a traffic control device indicates a prohibition.

12.4 Special Permit

12.4.1 Notwithstanding Sections 12.2 and 12.3, a carrier may operate or park beyond the limits of a Dangerous Goods Route where the carrier has obtained a Special Permit authorizing such travel or parking.

12.4.2 A carrier is required to produce a Special Permit issued under this Section upon demand to a Peace Officer, a designated Dangerous Goods Inspector, or the Fire Chief.

**PART 13
PENALTIES AND EFFECTIVE DATE**

13.1 Guilty of Offence

13.1.1 Every person who contravenes a Section of this Bylaw is guilty of an offence.

13.2 PENALTY

13.2.1 Subject to any express provisions in this bylaw, every person who is convicted of an offence is liable to a fine of not more than \$2000 or to imprisonment for not more than 6 months or to both.

13.2.2 Where a penalty with respect to certain offences has been specified in **Schedule X**, attached to and forming part of this bylaw, every person who is convicted of any offence listed shall forfeit and pay the penalty as set out in the Schedule.

13.2.3 With respect to any fines levied under this bylaw, a Court may order that in default of payment of the fine or in compliance with any order, as the case may be, the defendant shall be imprisoned for a period of not more than 6 months.

13.3 Summons, Tag or Notice

13.3.1 Pursuant to the provisions of the *Provincial Offences Procedure Act* and regulations thereunder, a Peace Officer may issue a summons, offence notice or traffic tag with respect to any offence contained herein.

13.3.2 A notice or form commonly called an offence notice or traffic tag having printed wording approved by the Designated Officer may be issued by a Peace Officer to any person alleged to have breached any provision of this bylaw, and the said notice shall require payment to the Town in the amount specified in this bylaw;

13.3.3 Notwithstanding Subsection 13.3.1, a Peace Officer may, if it is in the public interest, issue a summons requiring the defendant to appear before a justice on the initial appearance date without the alternative of making a voluntary payment.

13.3.4 An offence notice or traffic tag shall be deemed to be sufficiently served:
a) If served personally on the accused; or
b) If mailed to the address of the registered owner of the vehicle concerned; or
c) If attached to or left upon the vehicle in respect of which the offence is alleged to have been committed.
